

SABRE 426

Sabre yachts is a yacht builder from Maine, USA, who have been building luxury yachts since 1970.

Sabre 426 offers the best of both worlds. She has the performance of a racing boat but also offers the comfort and amenities of a cruiser.

A stylish interior offers ample accommodation for passengers and crew, plenty of storage, a full beam salon and a fully equipped 'U' shaped galley.

Owner's comment

The boat has had only one owner.

In May 2010 she came to Marmaris where she has only been sailed for 2 months each year; apart from the notorious 2020.

She is kept on land for the remaining 10 months and has been carefully maintained.
